**FOUNDED IN 1950**

Kreindler is well known as the pre-eminent aviation accident law firm in the world. Today, in addition to our aviation expertise, Kreindler has achieved notable success in multi-jurisdictional bus, train, motor vehicle, maritime, and tourism-related death and injury cases of all kinds.

Kreindler's recent well-publicized litigation against the Kingdom of Saudi Arabia for the September 11, 2001 terrorist attacks highlights our continued commitment to obtain justice for victims of 9/11 and other terrorism attacks. And the firm's toxic and mass tort practice has grown exponentially.

The Kreindler firm is dedicated to taking on challenging, complex litigation and welcomes the opportunity to collaborate with other firms in all areas.
